Mercury Outboard 90 HP - Mercury Outboard Forums

Im a beginner but..., am posting this to help others. My service dealer was booked solid so we tried it. After tearing off the manifold earlier this spring, and cleaning the old carbs the first time, we used the existing rubber o rings on the jets. When we got it all back together it ran at about the 80 percent level, until I took the boat out and then after about two miles the motor died out.
