Creating a diorama with children is a great learning tool to put into practice the child's understanding of a topic that they have been studying. In most cases, you use a shoe box to be your 'stage' and you recreate whatever is relevant to your topic on your stage.

Arctic Habitat Diorama - Super Simple

Making An Arctic Diorama. thesegoodolddays / June 7, 2016. When I first started planning our Arctic Diorama, I had planned for us to make it at the end of our Polar Unit Study (for Preschoolers). I thought it would be a fun way to finish off our unit. But once the kids saw the little toy Arctic animals and found out what we were going to do ...
