Bose 151 SE environmental speakers feature enhanced performance and durability for full stereo sound in a wide listening area. Sleek styling and rugged construction make these our most popular outdoor stereo speakers for music around the pool, on a patio, or even on a boat.

Bose® 151® SE Environmental Speakers

Articulated Array® speaker design includes precisely positioned drivers to provide a large, consistent sound field for outdoor listening. Bose environmental testing simulates exposure to sunlight, rain, heat, ice, salt and water—proof of the extreme conditions these outdoor speakers can endure and still deliver reliable, long-lasting performance.
