### **Gas cap light and check engine light come on - JustAnswer**

A few months ago, my wife and I started to notice that our minivan transmission was acting a little funny. When slowing down to a stop, the transmission would drop from second to first (we have the 4-speed automatic) with a clunk, sometimes so forcefully that the car would shudder as a result. Additionally, I noticed that the cruise control had gone all wonky -- I'd set the cruise, but the ...

I have a 2000 Dodge Caravan and for years had to deal with a check engine light on. Inspection time was a nightmare--pull the fuse, reset, and then hope it doesn't come on during emission test, Then this past year the fuel filler tube really started leaking and we had to fix it....voila, check engine light is off.

After much reading on the web and a lot of trial and error, I have finally figured out how to turn off the annoying chime the Dodge minivan makes when you don't buckle your seat belt. This works with my 2007 Dodge Grand Caravan, but other years and model Dodge cars will probably work as

well. The chime is ...
