For many years, Kia Motors America has provided no cost access to [www.KiaTechInfo.com](http://www.KiaTechInfo.com) as a complimentary service to its customers, although most other competitors charge for access to their service support websites. Because Kia vehicles have advanced technology requiring specialized training, tools and equipment, the information contained in this website is largely tailored towards the ...

Home Service: Appliance Repair Manuals. If you're interested in attempting to repair your major appliance yourself to try to save a little money, a good place to start is purchasing a product repair manual. Do it yourself (DIY) repair manuals are often produced by the appliance manufacturer themselves and provide a step by step guide to many of the common repairs periodically required.
