Evinrude E-TEC 200 Manuals

A distinctive feature of Evinrude engines is the ability to start them regardless of the level of charge of the self-contained power source and the ambient temperature. All motors are equipped with high-performance dual electric generators, providing energy to the operation of the injection system and control electronics.

The many benefits of the Evinrude E-TEC engine will add hours of fun for you and your family and your time on the water... Power and performance... An Evinrude E-TEC engine is up to 300 pounds lighter than competitive outboard engines. This translates to faster planing with less bow rise so you can see the open water in front of you.
