4 8 16 In the first call to the function, we only define the argument a, which is a mandatory, positional argument. In the second call, we define a and n, in the order they are defined in the function. Finally, in the third call, we define a as a positional argument, and n as a keyword argument.. If all of the arguments are optional, we can even call the function with no arguments.

"What/Who Am I" is a game that can be used to teach verbal knowledge in the classroom in an interactive manner. Some people use labels for this game but I prefer name cards and name holders. Stick-on labels are not reusable. Sometimes the teacher's writing is hard to read. Typed, printed name cards are reusable...
